RRCPC lost property policy

- Your property is your responsibility. Please label it with your name and contact details.
- Visiting groups and clubs are advised to delegate one person to be in charge of all club kit, and to check around the Farm last thing before leaving. If you make everyone responsible for club kit, nobody ends up taking responsibility.
- If you think you have lost something, please get in touch with the hut warden (https://rrcpc.org.uk/contact/) or any other committee member as soon as you can. They will look for the item at their next convenience. If found, they can arrange caver post or Royal Mail to return the item to you (at your cost), or arrange for you to collect it from the Farm if you will be visiting again soon.
- Lost property is collected from the Farm regularly and placed in the lost property bin by the front door. If lost property is dirty/wet it must be allowed to dry before going in the lost property bin otherwise everything will go mouldy.
- Only the RRCPC committee have access to the lost property bin (to protect valuables).
- After a couple of weeks, the hut warden may remove items from the lost property bin and sort them.
    1. They will get in touch with the owner of any labelled items to arrange return.
    2. Any low value items (for example: socks, gloves, worn out gear) will be recycled.
    3. All other items will be kept securely for at least 6 months in case they are claimed.
    4. Anything not claimed after 6 months will be auctioned at the club’s annual auction or taken to a charity shop.
